

Islands

Fill in the gaps

I was lost in the forest

Islands (Live) by Mike Oldfield & Bonnie Tyler

From the (1) time we saw	And you (14) me the way
We (2) wait for this moment	When the night's on fire
Like (3) on the shore	(Oh) Will you keep the (15)
We can never	burning
Be (4) somehow	Hold on to your heart's desire
For the (5) that lasts	When you see one bird
Is this (6) now	Into the wind another one's turning
When the night's on fire	And the two can fly (16) (17)
(Oh) Will you (7) the candlelight burning	(higher)
Hold on to your heart's desire	We are islands but never too far
When you see one bird	We are islands
Into the wind another one's turning	And I need your light tonight
And the two can fly much higher (higher)	And I need your light tonight
We are (8) but (9) too far	We are islands but never too far
We are islands	We are islands
And I (10) your light tonight	And I need your (18) tonight
And I (11) your light tonight	And I need your light tonight
We are islands but (12) too far	We are (19) but never too far
We are islands	We are islands
And I need your (13) tonight	And I (20) your (21) tonight
And I need your light tonight	And I need (22) light tonight
Islands	We are islands but never too far
Never been to before	We are islands
And we climb so high	And I need your light tonight
To where the wild birds soar	And I need your (23) tonight
There's a new path	We are islands but (24) too far
That we found just today	We are islands
