SUB inglés

These words are my own

Fill in the gaps

These Words by Natasha Bedingfield

These words are my own	From my (5) flown
Threw some chords together	I love you, I love you, I love you
The combination D-E-F	There's no other way
Is who I am, is what I do	To better say
No one's gonna let it down for you	I love you, I love you
I try to focus my attention	I'm getting off my stage
But I feel so A-D-D	The curtains pull away
I need some help, some inspiration	No hyper bowl to hide behind
But it's not coming easily (Uh oh)	My naked soul exposes
Trying to find the magic (Uh oh)	
Trying to write a classic (Uh oh)	(Uh oh) Trying to find the magic (Uh oh)
Don't you know, don't you know, don't you know (Uh oh)	Trying to (6) a classic (Uh oh)
Waste bin full of paper (uh oh)	Waste bin full of paper (Uh oh)
Clever rhymes, see you later	Clever rhymes, see you later
These words are my own	These words are my own
From my heart flown	From my (7) flown (don't you know)
I love you, I love you, I love you, I love you	I love you, I love you, I love you, I (8) you
There's no (1) way	There's no other way
To better say	To (9) say
I love you, I love you	I love you, I love you, I love you
Read some Byron, Shelly and Keats	These words are my own
Resided in (2) a Hip hop beat	From my heart flown
I'm (3) I mean	I love you, I love you, I love you
With dead poets and drum machines	There's no other way
You know I had some studio time booked	To better say
But I couldn't find a killer hook	I love you, I love you, I love you
Now you're gonna raise the bar right up	These words are my own
Nothing I write is ever good (enough)	They're from my heart
These words are my own	I (10) you, I love you
From my heart flown	That's all I've got to say
I love you, I love you, I love you, I love you	Can't think of a better way
There's no other way	That's all I've got to say
To better say	I love you is that ok
I love you, I love you	

- 1. other
