

## Fill in the gaps

There used to be a greying (1) alone on the sea	A (20) the gloom on the grey
You (2) the (3) on the dark	I've been kissed by a rose on the grey
(4) of me	I've been kissed by a rose on the grey
Love remained a drug that's the high and not the pill	I've been kissed by a rose on the grey
But did you know (5) when it snows	I've been kissed by a rose on the grey
My eyes become (6) and	There is so (22) a man can tell you, so much he
The light that you (7) can be seen	can say
Baby, I compare you to a (8) from a (9)	You remain my power, my pleasure, my pain
on the grey	To me you're like a growing addiction that I can't deny
The (10) I get of you the stranger it feels, yeah	Now won't you tell me is it healthy, baby
Now that your rose is in bloom	But did you (23) that (24) it snows
A light (11) the gloom on the grey	My eyes become large
There is so much a man can tell you, so much he can say	And the light that you shine can be seen
You remain my power, my pleasure, my pain, baby	Baby, I compare you to a kiss from a rose on the grey
To me you're like a (12) addiction	The more I get of you the stranger it feels, yeah
(13) I can't deny	Now that your rose is is in bloom
Won't you tell me is it healthy, babe	A light (25) the gloom on the grey
But did you know that when it snows	Yes, I compare you to a kiss from a rose (on the grey)
My eyes (14) large and	
The (15) you (17)	
can be seen	
Baby, I (18) you to a kiss from a	
(19) on the grey	
The more I get of you the stranger it feels, yeah	
Now that your rose is in bloom
