

Fill in the gaps

There used to be a greying tower alone on the sea
You became the light on the dark side of me
Love remained a drug that's the high and not the pill
But did you know that when it snows
My eyes become large and
The (1) that you (2) can be seen
Baby, I compare you to a kiss from a rose on the grey
The more I get of you the stranger it feels, yeah
Now that your rose is in bloom
A light hits the gloom on the grey
There is so much a man can tell you, so much he can say
You remain my power, my pleasure, my pain, baby
To me you're like a (3)
(4) that I can't deny
Won't you tell me is it healthy, babe
But did you know that when it snows
My eyes become large and
The light that you shine can be seen
Baby, I compare you to a kiss from a (5) on the
