

Fill in the gaps

5 Years Time by Noah and the Whale

Well in five years time we could be walking round the zoo
With the sun shining down over me and you
And there'll be love in the bodies of the elephant's too
I'll put my hands over your eyes, but you peek through
And there'll be sun, sun, sun
All over our bodies, and sun, sun, sun
All down our necks (1)_____ be sun, sun,
sun
All over our (2)_____ and sun, sun, sun
So, what the heck
'cause I'll be laughing at your silly little jokes
And we'll be laughing about how we used to smoke
All those stupid little cigarretes and drink (3)_____
wine
'Cause it's what we (4)_____ to have a good time
But it was fun, fun, fun
When we were drinking, it was fun, fun, fun
When we (5)_____ drunk and it was fun, fun, fun
When we were laughing, it was fun, fun, fun
Oh, it was fun
Oh, well I'll look at you and say
It's the happiest that I've ever been
And I'll say I no longer feel, I have to be James Dean
And she'll say, yeah well I feel all pretty happy too
And I'm always pretty happy
When I'm (6)_____ kicking back with you
And it'll be love, love, love, all through our bodies
And love, love, love, all through our minds

And it'll be love, love, love, all over her face
And love, love, love, all over mine
And though merely all (7)_____ moments
Are just in my head
I'll be (8)_____ about (9)_____ as I'm
(10)_____ in bed
And I know that it merely, they might not even come true
But in my mind I'm having a pretty good time with you
Oh in five years time
I might not know you
In five years time
We might not speak
In five years time
We might not get along
In five years time
You might just prove me wrong
Oh there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love

Answer

1. there'll
