5 Years Time by Noah and the Whale

Well in five years time we could be walking round the zoo	And it'll be love, love, love, all over her face
With the sun (1) down over me and you	And love, love, love, all over mine
And there'll be love in the bodies of the elephant's too	And though merely all (5) moments
I'll put my hands over your eyes, but you peek through	Are just in my head
And there'll be sun, sun, sun	I'll be thinking (6) them as I'm lying in bed
All over our bodies, and sun, sun, sun	And I know that it merely, they (7) not even
All down our necks there'll be sun, sun, sun	come true
All over our faces and sun, sun, sun	But in my mind I'm having a pretty good time with you
So, what the heck	Oh in five years time
'cause I'll be laughing at your silly little jokes	I might not know you
And we'll be laughing about how we used to smoke	In five years time
All those stupid little cigarretes and drink stupid wine	We might not speak
'Cause it's what we needed to have a good time	In five years time
But it was fun, fun, fun	We might not get along
When we were drinking, it was fun, fun, fun	In five years time
When we were drunk and it was fun, fun, fun	You (8) just prove me wrong
When we (2) laughing, it was fun, fun, fun	Oh there'll be love, love
Oh, it was fun	Wherever you go there'll be love, love, love
Oh, well I'll (3) at you and say	Wherever you go there'll be love, love, love
It's the happiest that I've ever been	Wherever you go there'll be love, love, love
And I'll say I no longer feel, I have to be James Dean	Wherever you go there'll be love, love, love
And she'll say, yeah well I feel all (4) happy	Wherever you go there'll be love, love, love
too	Wherever you go there'll be love, love, love
And I'm always pretty happy	Wherever you go there'll be love, love, love
When I'm just kicking back with you	Wherever you go there'll be love
And it'll be love, love, love, all through our bodies	
And love, love, love, all through our minds
