

And it'll be love, love, love, all through our bodies And love, love, love, all through our minds

5 Years Time by Noah and the Whale

Well in five (1) (2) we could be	And it'll be love, love, love, all over her face
walking (3) the zoo	And love, love, love, all over mine
With the sun shining down over me and you	And though merely all these moments
And there'll be love in the bodies of the elephant's too	Are (9) in my head
I'll put my hands over your eyes, but you peek through	I'll be thinking about them as I'm lying in bed
And there'll be sun, sun, sun	And I know that it merely, they might not even come true
All over our bodies, and sun, sun, sun	But in my mind I'm having a pretty good time with you
All (4) our (5) there'll be sun, sun,	Oh in five years time
sun	I might not know you
All over our faces and sun, sun, sun	In five years time
So, what the heck	We might not speak
'cause I'll be laughing at your silly little jokes	In five years time
And we'll be laughing about how we (6) to smoke	We might not get along
All those stupid little (7) and drink	In five years time
stupid wine	You (10) just prove me wrong
'Cause it's what we needed to have a good time	Oh there'll be love, love, love
But it was fun, fun	Wherever you go there'll be love, love, love
When we were drinking, it was fun, fun, fun	Wherever you go there'll be love, love, love
When we were drunk and it was fun, fun, fun	Wherever you go there'll be love, love, love
When we were laughing, it was fun, fun, fun	Wherever you go there'll be love, love, love
Oh, it was fun	Wherever you go there'll be love, love, love
Oh, well I'll look at you and say	Wherever you go there'll be love, love, love
It's the happiest that I've ever been	Wherever you go there'll be love, love, love
And I'll say I no longer feel, I (8) to be James Dean	Wherever you go there'll be love
And she'll say, yeah well I feel all pretty happy too	
And I'm always pretty happy	
When I'm just kicking back with you
