

And love, love, love, all through our minds

5 Years Time by Noah and the Whale

Well in five years time we could be walking round the zoo	And it'll be love, love, love, all over her face
With the sun shining down over me and you	And love, love, love, all over mine
And there'll be love in the bodies of the elephant's too	And though merely all these moments
I'll put my hands (1) your eyes, but you peek	Are (7) in my head
through	I'll be thinking about them as I'm lying in bed
And there'll be sun, sun, sun	And I know that it merely, they might not even come true
All over our bodies, and sun, sun, sun	But in my mind I'm having a (8) good time
All down our necks there'll be sun, sun, sun	with you
All over our (2) and sun, sun, sun	Oh in five years time
So, what the heck	I (9) not know you
'cause I'll be laughing at your silly little jokes	In five years time
And we'll be (3) about how we used to	We might not speak
smoke	In five (10) time
All those stupid little (4) and drink	We might not get along
(5) wine	In five years time
'Cause it's what we (6) to have a good time	You might just prove me wrong
But it was fun, fun, fun	Oh there'll be love, love
When we were drinking, it was fun, fun, fun	Wherever you go there'll be love, love, love
When we were drunk and it was fun, fun, fun	Wherever you go there'll be love, love, love
When we were laughing, it was fun, fun, fun	Wherever you go there'll be love, love, love
Oh, it was fun	Wherever you go there'll be love, love, love
Oh, well I'll look at you and say	Wherever you go there'll be love, love, love
It's the happiest that I've ever been	Wherever you go there'll be love, love, love
And I'll say I no longer feel, I have to be James Dean	Wherever you go there'll be love, love, love
And she'll say, yeah well I feel all pretty happy too	Wherever you go there'll be love
And I'm always pretty happy	
When I'm just kicking back with you	
And it'll be love, love, love, all through our bodies
