

From the day (1) I met you girl
I knew that your love would be
Everything that I ever wanted in my life
From the (2) you spoke my name
I new everything had changed
Because of you I felt my life would be complete
[Refrain]
Oh (3) I need you
For the rest of my life girl I need you
To make everything right girl
I love you
And I'll never deny that I need you
Nothing matters but you my love
And only God above
Could be the one to know exactly how I feel
I could die in your arms right now
Knowing that you somehow
Would (4) my soul and keep it
deep inside your heart
[Repeat refrain]
Girl your love to me feels just like magic
When you (5) you have total control
You have power like nothing I've (6) before
I've let all of my (7) show
