

Fill in the gaps

And I'm alright		All of (4)	problems	
Standing in the streetlights here		They're all in your h	They're all in your head	
Is this meant for me		And I can't be somebody else		
My time on the outside is over		You took something perfect		
We don't (1) how you're spending		And painted it red		
All of your days knowing		You took something perfect		
That love isn't here		And painted it red		
You see the pictures		You take the best the	You take the best things from me	
But you don't know their names		Then everything ge	Then everything gets empty	
'Cause love isn't here		That's not a world the	That's not a world that I need	
And I can't do this by myself		You take the best the	You take the best things from me	
All of these problems		Then everything gets empty		
They're all in your head		That's not a world (5) I need		
And I can't be somebody else		And I can't do this by myself		
You took something perfect		All of these problems		
And painted it red		They're all in your head		
No sympathy		And I can't be somebody else		
When shouting out is all you know		You (6) something perfect		
Behind your lies		And painted it red		
I can see the (2)	you don't show	Red, you took some	ething perfect	
And we don't know how you're spending		And painted it red	And painted it red	
All of your days knowing		Red, you took something perfect		
That (3) isn't here		And (7)	it red	
You see the pictures		You took something perfect		
But you don't know their names		And (8)	it red	
'Cause love isn't here				
I can't do this by myself
