

## Fill in the gaps

And I'm alright		All of these problems	
Standing in the (1)	here	They're all in your head	
Is this meant for me		And I can't be somebody else	
My time on the (2) is over		You took something perfect	
We don't know how you're spending		And painted it red	
All of your days knowing		You took something perfect	
That (3) isn't here		And (11) it red	
You see the pictures		You take the (12) (13	3)
But you don't (4) their names		(14) me	
'Cause love isn't here		Then everything (15) empty	
And I can't do this by myself		That's not a world (16) I need	
All of these problems		You (17) the best things (18)_	me
They're all in (5) head		Then everything (19) empty	
And I can't be (6) else		That's not a (20) that I need	
You took something perfect		And I can't do this by myself	
And painted it red		All of these problems	
No sympathy		They're all in your head	
When (7) out is all you know		And I can't be somebody else	
Behind your lies		You took something perfect	
I can see the (8) you don't show	v	And painted it red	
And we don't know how you're spending		Red, you took (21)	perfect
All of your days knowing		And painted it red	
That (9) isn't here		Red, you took (22)	perfect
You see the pictures		And painted it red	
But you don't know their names		You (23) something perfect	
'Cause love isn't here		And (24) it red	
Lean't do (10) by myself
