

Fill in the gaps

And I'm alright
Standing in the streetlights here
Is this meant for me
My (1) on the outside is over
We don't know how you're spending
All of your days knowing
That love isn't here
You see the pictures
But you don't (2) (3) names
'Cause love isn't here
And I can't do this by myself
All of these problems
They're all in (4) head
And I can't be somebody else
You took something perfect
And painted it red
No sympathy
When shouting out is all you know
Behind your lies
I can see the secrets you don't show
And we don't know how you're spending
All of (5) days knowing
That love isn't here
You see the pictures
But you don't (6) their names
'Cause love isn't here
I can't do this by myself

All of these problems	
They're all in your head	
And I can't be somebody else	
You took something perfect	
And painted it red	
You took something perfect	
And painted it red	
You take the best (7)	_ from me
Then everything gets empty	
That's not a world that I need	
You take the best things from me	
Then everything gets empty	
That's not a world that I need	
And I can't do this by myself	
All of these problems	
They're all in your head	
And I can't be somebody else	
You took something perfect	
And painted it red	
Red, you took something perfect	
And (8) it red	
Red, you took something perfect	
And painted it red	
You took (9)	perfect
And (10) it red
