

Fill in the gaps

Get a load of me, get a load of you	It's inevitable
Walkin' down the street, and I hardly know you	It's a fact that we're gonna get down to it
It's just (1) we were meant to be	So tell me
Holding hands with you when we're out at night	Why can't I breathe whenever I think about you
Got a girlfriend, you say it isn't right	High enough for you to make me wonder
And I've got someone (2) too	Where it's goin'
What if this is just the beginning	High enough for you to pull me under
We're already wet, and we're gonna go swimming	Somethin's growin'
Why can't I breathe whenever I think about you	Out of this that we can control
Why can't I speak whenever I talk about you	Baby I am dyin'
It's inevitable	Why can't I breathe whenever I think about you
It's a fact (3) we're gonna get down to it	Why can't I speak whenever I talk (6) you
So tell me	Why can't I breathe whenever I think about you
Why can't I breathe whenever I think about you	Why can't I (7) (8) I talk
Isn't this the best part of breakin' up	about you
Finding someone else you can't get enough of	It's inevitable
Someone who wants to be with you too	It's a fact that we're gonna get down to it
It's an itch we know we are gonna scratch	So tell me
Gonna take a (4) for this egg to hatch	Why can't I (9)
But wouldn't it be beautiful	think about you
Here we go, we're at the beginning	Whenever I think about you
We haven't ***** yet, but my (5) spinning	Whenever I think about you
Why can't I breathe whenever I think about you	Whenever I think about you
Why can't I speak whenever I talk about you	Whenever I think about you
