My love will laugh with me

Paint It Black (Live) by The Rolling Stones

I see a red door and I want it painted black	Before the mornin' comes
No colours anymore, I want them to turn black	I see a red (9) and I want it painted black
I see the girls walk by	No colours anymore, I want them to turn black
Dressed in their summer clothes	I see the girls go by
I (1) to turn my head	Dressed in (10) summer clothes
Until my darkness goes	I have to turn my head
I see a line of cars and they're all painted black	Until my darkness goes
With flowers and my love (2) never to come back	
I see people turn their heads	I wanna see your face painted
And quickly look away	Painted black
Like a newborn baby, it just happens every day	Black as night
I look inside myself and see my heart is black	Black as coal
No colours anymore, I want (3) to turn black	I wanna see the sun
Maybe then I'll fade away and not have to (4) the	Blotted out from the sky
facts	I wanna see it painted
It's not easy facin' up	Painted black, yeah!
When your (5) world is black	
No more will my green sea go turn a deeper blue	
I (6) not foresee this (7)	
(8) to you	
If I look hard enough into the settin' sun
