My love will (7)_____ with me

Paint It Black (Live) by The Rolling Stones

I see a red door and I want it painted black		Before the mornin' comes	
No colours anymore, I (1)	them to turn black	I see a red door and I want it (8)	blacl
I see the girls walk by		No colours anymore, I want them to (9)	black
Dressed in (2) summer clothes		I see the girls go by	
I have to turn my head		Dressed in their summer clothes	
Until my darkness goes		I have to turn my head	
I see a line of cars and they're all painted black		Until my darkness goes	
With flowers and my (3) both never to come back			
I see people turn their heads		I wanna see your face painted	
And quickly look away		Painted black	
Like a newborn baby, it (4) happens every day		Black as night	
I look inside myself and see my heart is black		Black as coal	
No colours anymore, I want them to turn black		I wanna see the sun	
Maybe then I'll fade away and not have to face the facts		Blotted out from the sky	
It's not (5) facin' up		I wanna see it painted	
When your whole world is black		Painted black, yeah!	
No more will my green sea go turn a deeper blue			
I could not foresee this thing ha	ppening to you		
If I look (6) enough i	nto the settin' sun
