Wild Horses by Rolling Stones

Fill in the gaps

•••	Couldn't drag me away
Childhood living	Wild, wild horses
Is easy to do	Couldn't drag me away
The things you wanted	I know I've dreamed
I bought them for you	You a sin and a lie
Graceless lady	I got my freedom
You know who I am	But I don't have much time
You know I can't let you	Faith has been broken
Slide through my hands	And tears must be cried
'Cause wild horses	Let's do some living
Couldn't (1) me away	After love dies
Wild, wild horses	'Cause wild horses
Couldn't drag me away	Couldn't drag me away
I watched you suffer	Wild, (5) horses
A (2) (3) pain	We'll (6) (7) (8) day
Now you've decided	Wild horses
To show me the same	Couldn't drag me away
No sweeping exit	Wild, (9) horses
Or (4) lines	We'll ride (10) some day
Could make me feel bitter	
Or treat you unkind
