

You got a piece of me

Fill in the gaps

My Life Would Suck Without You by Kelly Clarkson

Guess this means you're sorry	And honestly
You're standing at my door	My (6) (my life) (7) suck (would suck)
Guess this means you take back	Without you
All you said before	Being with you
Like how much you wanted	Is so disfunctional
Anyone but me	I really shouldn't miss you
Said you'd never come back	But I can't let you go
But here you are again	(Oh yeah)
'Cause we belong (1) now, yeah	'Cause we belong together now, yeah
Forever (2) here somehow, yeah	Forever (8) here somehow, yeah
You got a (3) of me	You got a piece of me
And honestly	And honestly
My life (my life) would suck (would suck)	My life (my life) would (9) (would suck)
Without you	Without you
Maybe I was (4) for telling you goodbye	'Cause we belong together now, yeah
Maybe I was wrong for tryin' to pick a fight	Forever united here somehow, yeah
I know that I've got issues	You got a (10) of me
But you're pretty messed up too	And honestly
Either way, I found out I'm nothing (5) you	My life (my life) would suck (would suck)
'Cause we belong together now, yeah	Without you
Forever united here somehow, yeah
