You got a piece of me

Fill in the gaps

My Life Would Suck Without You by Kelly Clarkson

Guess (1) means you're sorry	And honestly
You're standing at my door	My life (my life) would (6) (would suck)
Guess this means you take back	Without you
All you said before	Being (7) you
Like how much you wanted	Is so disfunctional
Anyone but me	I really shouldn't miss you
Said you'd never come back	But I (8) let you go
But here you are again	(Oh yeah)
'Cause we belong together now, yeah	'Cause we belong together now, yeah
Forever united (2) somehow, yeah	Forever united here somehow, yeah
You got a piece of me	You got a piece of me
And honestly	And honestly
My life (my life) would suck (would suck)	My life (my life) would suck (would suck)
Without you	Without you
Maybe I was (3) for telling you goodbye	'Cause we belong (9) now, year
Maybe I was (4) for tryin' to pick a fight	Forever (10) here somehow, yeah
I know that I've got issues	You got a piece of me
But you're pretty messed up too	And honestly
Either way, I found out I'm nothing without you	My life (my life) would suck (would suck)
'Cause we belong (5) now, yeah	Without you
Forever united here somehow, yeah
