Catch My Breath by Kelly Clarkson

I don't want to be left behind

Catch my breath

Fill in the gaps

Won't let em get me down

Distance was a friend of mine	It's all so simple now
Catching breath in a web of lies	You (5) me see
I've spent most of my life	The beauty
Riding waves, playing acrobat	In everything
Shadowboxing the other half	Catching my breath
Learning how to react	Letting it go
I've spent most of my time	Turning my cheek for the sake of the show
Catching my breath	Now that you know
Letting it go	This is my life
Turning my cheek for the sake of the show	I won't be told what's supposed to be right
Now that you know	Catching my breath
This is my life	Letting it go
I won't be told what's supposed to be right	Turning my cheek for the (6) of the show
Catch my breath	Now (7) you know
No one can hold me back	This is my life
I ain't got time for that	I (8) be told what's supposed to be right
Catch my breath	Catch my breath
Won't let em get me down	No one can hold me back
It's all so simple now	I ain't got time for that
Addicted to the love I've found	Catch my breath
Heavy heart now a weightless cloud	Won't let 'em get me down
Making time for the ones that count	It's all so simple now
I'll spend the rest of my time	It's all so (9) now
Laughing hard with the (1) down	Catching my breath
Leaving footprints all (2) town	Letting it go
Keeping faith, (3) comes around	Turning my cheek for the sake of the show
I won't spend the rest of my life	Now that you know
Catching my breath	This is my life
Letting it go	I won't be told what's supposed to be right
Turning my (4) for the sake of the show	Catch my breath
Now that you know	No one can hold me back
This is my life	I ain't got time for that
I won't be told what's supposed to be right	Catch my breath
Catch my breath	Won't let 'em get me down
No one can hold me back	It's all so simple now
I ain't got time for that
