Catch My Breath by Kelly Clarkson

Fill in the gaps

I don't want to be left behind	Won't let em get me down
Distance was a friend of mine	It's all so simple now
Catching breath in a web of lies	You help me see
I've spent most of my life	The beauty
Riding waves, playing acrobat	In everything
Shadowboxing the other half	Catching my breath
Learning how to react	Letting it go
I've spent (1) of my time	Turning my cheek for the sake of the show
Catching my breath	Now that you know
Letting it go	This is my life
Turning my cheek for the sake of the show	I won't be (8) what's (9) to b
Now (2) you know	right
This is my life	Catching my breath
I won't be told what's supposed to be right	Letting it go
Catch my breath	Turning my cheek for the sake of the show
No one can hold me back	Now that you know
I ain't got (3) for that	This is my life
Catch my breath	I won't be told what's supposed to be right
Won't let em get me down	Catch my breath
It's all so simple now	No one can hold me back
Addicted to the love I've found	I ain't got time for that
Heavy heart now a weightless cloud	Catch my breath
Making time for the ones that count	Won't let 'em get me down
I'll spend the (4) of my time	It's all so simple now
Laughing (5) with the windows down	It's all so simple now
Leaving footprints all over town	Catching my breath
Keeping faith, karma comes around	Letting it go
I won't spend the rest of my life	Turning my cheek for the (10) of the show
Catching my breath	Now that you know
Letting it go	This is my life
Turning my cheek for the sake of the show	I won't be told what's supposed to be right
Now that you know	Catch my breath
This is my life	No one can hold me back
I won't be (6) what's supposed to be right	I ain't got time for that
Catch my breath	Catch my breath
No one can hold me back	Won't let 'em get me down
I ain't got (7) for that	It's all so simple now
