

Fill in the gaps

Clinging to me			
Like a (1)	breath you (2)		breathe
You were like home to me			
I don't recognize this street			
Please don't close your eyes			
Don't know where to look without them			
Outside the cars speed by			
I've (3)	heard them until n	ow	
I know you care			
I know it is always been there			
But there is trouble ahead I can feel it			
You were just saving yourself when you (4) it			
Yeah, I know you care			
I see it in the way you stare			
As if there was trouble ahead and you (5) it			
I'll be saving myself from the ruin			
And I know you care			
I used to run down the	e stairs		
To the door and I (6)		you were	there
To shape to the comf	ort of us		
Two lovers locked our	t of love		
But I know you care			

I know it is always been there			
But there is trouble ahead I can feel it			
You (7) just saving yourself when you hide it			
Yeah, I know you care			
I see it in the way that you stare			
As if there was trouble ahead and you knew it			
I'll be saving myself from the ruin			
I know it wasn't always wrong			
But I've never known a Winter so cold			
No, I don't warm my hands in your coat			
But I (8) hope			
'Cause this is how things ought to have been			
And I (9) the words are there			
Wasn't all that it seemed, why can't I dream			
Why can't I dream			
'Cause I know you care			
And I know you care			
I know you care			
I (10) you care			
I know it's always been there
