

## Fill in the gaps

Clinging to me	r know it is always been there
Like a last breath you would breathe	But there is trouble ahead I can (10) it
You were like home to me	You were (11) (12) yourself when
I don't recognize this street	you (13) it
Please don't close your eyes	Yeah, I know you care
Don't know where to look without them	I see it in the way that you stare
Outside the cars speed by	As if (14) was (15) ahead and
I've never (1) them until now	you knew it
I (2) you care	I'll be saving (16) from the ruin
I know it is always (3) there	I (17) it wasn't (18) wrong
But there is (4) (5) I can feel it	But I've never (19) a (20) so
You were just saving yourself when you hide it	cold
Yeah, I know you care	No, I don't (21) my hands in your coat
I see it in the way you stare	But I still hope
As if there was trouble ahead and you (6) it	'Cause this is how (22) ought to
I'll be (7) myself from the ruin	(23) been
And I know you care	And I know the words are there
I (8) to run down the stairs	Wasn't all that it seemed, why can't I dream
To the (9) and I thought you were there	Why can't I dream
To shape to the comfort of us	'Cause I know you care
Two lovers locked out of love	And I (24) you care
But I know you care	I know you care
	I (25) you care
	I know it's always (26) there
