

Fill in the gaps

Clinging to me	I know it is always been there
Like a last breath you would breathe	But there is trouble ahead I can feel it
You were like home to me	You (6) just saving yourself when you hide it
I don't recognize (1) street	Yeah, I know you care
Please don't close your eyes	I see it in the way that you stare
Don't know where to look without them	As if there was trouble ahead and you knew it
Outside the (2) speed by	I'll be saving myself from the ruin
I've never heard them until now	I know it wasn't always wrong
I know you care	But I've never known a Winter so cold
I know it is always been there	No, I don't warm my hands in your coat
But there is trouble ahead I can feel it	But I still hope
You were just saving yourself when you (3) it	'Cause this is how things (7) to (8)
Yeah, I know you care	been
I see it in the way you stare	And I know the words are there
As if (4) was trouble ahead and you knew it	Wasn't all that it seemed, why can't I dream
I'll be saving myself from the ruin	Why can't I dream
And I know you care	'Cause I know you care
I used to run down the stairs	And I know you care
To the door and I thought you were there	I know you care
To shape to the comfort of us	I know you care
Two lovers (5) out of love	I know it's always been there
But I know you care
