Disease by Matchbox Twenty

Fill in the gaps

reels like you made a mistake	reel uneasy, baby
You made somebody's heart break	I can't live (5) you, tell me
But now I have to let you go	What I am supposed to do about it
I have to let you go	Keep your distance from it, don't pay no attention to me
You left a stain	I got a disease, and well, I think that I'm sick
On every one of my good days	But leave me be while my world is coming down on me
But I am stronger than you know	You taste like honey, honey, tell me can I be (6)
I have to let you go	honey
No one's ever turned you over	Be, be strong, keep telling myself it that won't take long till
No one's tried	I'm free of my disease
To ever let you down	Well, I'm free of my disease
Beautiful girl, (1) your heart	Free of my disease
I got a disease deep (2) me, makes me	I got a disease (7) inside me, makes me
Feel uneasy, baby	Feel uneasy, baby
I can't (3) without you, tell me	I can't live without you, tell me
What I am supposed to do about it	What I am supposed to do about it
Keep your (4) from it, don't pay no	Keep your distance from it, don't pay no attention to me
attention to me	I got a disease, and (8) I think that I'm sick
I got a disease	But leave me be (9) my world is coming down
Feels like you're making a mess	on me
You're hell on wheels in a black dress	You taste (10) honey, honey
You drove me to the fire	Tell me can I be your honey
And left me there to burn	Be, be strong, keep telling myself that it won't take long till
Every little thing you do is tragic	I'm free of my disease
All my life, all was magic	Hey, free of my disease
Beautiful girl, I can't breathe	Set me free of my disease
I got a disease deep inside me, makes me
