## Kings And Queens by 30 Seconds To Mars

oohh oohh ohhhhhhh	We were the (3) and queens of promise
oohh oohh ohhhhhhh	We (4) the phantoms of our selves.
oohh oohh ohhhhhhh	Maybe the (5) of a lesser god,
oohh oohh ohhhhhhh	between Heaven and Hell.
Into the night,	Heaven and Hell.
desperate and broken.	Heaven and Hell.
The sound of a fight,	The age of man is over.
father has spoken.	A (6) (7) and all
[oohh ohh]	These lessons that we've learned here
We were the kings and (1) of promise.	have only just begun!
We were the phantoms of our selves.	We were the kings and queens of promise.
Maybe the children of a lesser god,	We (8) the phantoms of our selves.
between (2) and Hell.	Maybe the children of a (9) god,
Heaven and Hell.	between Heaven and Hell.
Into your lies,	We are the kings!
hopeless and taken.	We are the queens!
We stole our new lives,	We are the kings!
through blood and pain,	We are the queens!
in defense of our dreams.	[Oohhh.]
In defense of our dreams.
