

Fill in the gaps

In this room of darkness I ain't undercover	Making my adrenalin rise I feel the eyes on me
	,
That won't stop my prowess (1) off on to	Sip the bottle now don't be slow
another	Keep up with me as we lose control
Elevating (2) as my body's moving lower	Keep up with me as we lose control
Now I've reached my element, you (3)	When we erupt (17) the room
(4) over	And (18) the sub go boom
But he doesn't, he (5) my way	A feeling easy to resume
I try to (6) (7) but he wants to play	This right here I swear will end too soon
So I sip his drink as I hold his gaze	So I sink in to the tune
When we erupt into the room	As I inhale the fume
And hear the sub go boom	A feeling easy to resume
A feeling (8) to resume	This right here I swear will end to soon
This (9) here I (10) will end too	(This (19) here I swear will end to soon)
soon	This (20) (21) I swear will end too
So I sink in to the tune	soon
As I (11) the fume	This (22) here I swear will end too soon
A feeling easy to resume	This (23) here I swear will end too soon
This right here I (12) (13) end too	When we erupt (24) the room
soon	And hear the sub go boom
(This right here I swear will end too soon)	A feeling (25) to resume
This right here I swear	This (26) I swear will end too
This right here I swear	soon
This right here I (14) will end too soon	
My limbs seem to move what the beat dictates to me	
I push in to the middle the sound (15) a	
part of me	
Taking me back to (16) sweet familiarity	

- 1. rubbing
