## Be Without You by Mary J. Blige

## Fill in the gaps

I wanna be with you, gotta be with you, (1) to be	'Cause I can't sleep without you baby
with you	If anybody who's ever loved, you know just what I feel
I wanna be with you, gotta be (2) you, need to be	Too hard to fake it, nothing can replace it
with you	Call the radio if you just can't be (8) your
Chemistry was crazy from the get-go	baby
Neither one of us knew why	Yeah
We didn't build nothing overnight 'cause	See this is real talk come on always stay (no matter what)
A love like this takes some time	Good or bad (thick and thin)
People (3) it off as a phase	Right or wrong (all day everyday)
Said we can't see that	Now if you're down on love or don't believe
Now (from) top to bottom	This ain't for you (no, this ain't for you)
They see that we did that (yes)	And if you got it deep in your heart
It's so true that (yes)	And deep down you know that it's true (come on)
We've been through it (yes)	Well, let me see you put your hands up (hands up)
We got real () (yes)	Fellas tell your lady (she's the one)
See baby we've (4) too strong for too long	Fellas tell your lady she's the one
And I can't be without you baby	Put your hands up (hands up)
And I'll be waiting up until you get home	Ladies let him know he's got your love
'Cause I can't sleep without you baby	Look him right in his eyes and tell him
Anybody who's ever loved, you know just what I feel	We've been too strong for too long
Too hard to fake it	And I can't be without you baby (can't be without you baby)
Nothing can replace it	I'll be waiting up until you get home
Call the radio if you just can't be (5) your	'Cause I can't sleep without you baby
baby	Anybody who's ever loved, you know just what I feel
I got a question for you, see I already know the answer	Too hard to fake it, nothing can replace it
But still I wanna ask you, would you lie (no)	Call the radio if you just can't be without your baby
Make me cry (no)	I wanna be with you, gotta be with you, need to be with you
Do something behind my back and then try to (6)	I (9) be with you, gotta be with you, need to be
it up	with you
Well, neither would I, baby	I wanna be with you, (10) be with you, need to
My love is only your love (yes)	be with you
I'll be faithful (yes)	I wanna be with you, gotta be with you, need to be with you
I'm for (7) (yes)	I wanna be with you, gotta be with you, need to be with you
And with us you'll always know the deal	
We've been too strong for too long	
And I can't be without you baby	
And I'll be waiting up until you get home
