

Fill in the gaps

A Happy Place by Katie Melua

I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand eyes are watching
Marching (1)_____ and no one's touching
Army of the city workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to every stranger
Stuck here it's cold I'm standing
Hoping for (2)_____ understanding
Only way to go is inside
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven (3)_____ light years travel
Let my sense of time unravel
Trapped (4)_____ are never ending
Send those weaknesses descending
Towards the (5)_____ red centre
Let the fire rise and enter
Tap into the primal power
Rising like a giant tower
The energy receiving

Cut a hole right (6)_____ the ceiling
People getting smaller as you fly
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
A happy place
A happy place
A happy...
Find a star, send (7)_____ a beam to where you are
An elevator of light taking you somewhere
Where (8)_____ always be loved
I have found (9)_____ stress and nonsense
Puts me in zone of avoidance
Could my mind be moving faster
Pulling like a super cluster
Can be hard to trust a feeling
But believing ends in seeing
We're going to find a happy
We're going to (10)_____ a happy
We're going to find a happy place
A happy place
A happy place
A happy...

Answer

1. home
2. some
3. thousand
4. feelings
5. earth's
6. through
