

Fill in the gaps

A Happy Place by Katie Melua

I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand eyes are watching
Marching home and no one's touching
Army of the city workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to every stranger
Stuck here it's cold I'm standing
Hoping for (1)_____ understanding
Only way to go is inside
I'm (2)_____ to find a happy
I'm going to find a happy
I'm going to (3)_____ a happy place
Seven thousand light years travel
Let my sense of time unravel
Trapped feelings are never ending
Send those weaknesses descending
Towards the earth's red centre
Let the (4)_____ rise and enter
Tap into the primal power
Rising like a giant tower
The energy receiving

Cut a hole right through the ceiling
People (5)_____ smaller as you fly
I'm going to find a happy
I'm going to find a happy
I'm (6)_____ to find a happy place
A happy place
A happy place
A happy...
Find a star, send down a beam to where you are
An elevator of light taking you somewhere
Where you'll always be loved
I have (7)_____ (8)_____ stress and nonsense
Puts me in zone of avoidance
Could my mind be moving faster
Pulling like a super cluster
Can be hard to trust a feeling
But believing ends in seeing
We're going to find a happy
We're going to find a happy
We're going to (9)_____ a happy place
A (10)_____ place
A happy place
A happy...

Answer

1. some
2. going
3. find
4. fire
5. getting
