Fill in the gaps

A Happy Place by Katie Melua

I'm going to (1)_____ a happy
I'm going to (2)_____ a happy
I'm going to find a happy place
Seven thousand eyes are watching
Marching home and no one's touching
Army of the city workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to every stranger
Stuck here it's cold I'm standing
Hoping for some understanding
Only way to go is inside
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand light years travel
Let my (3)_____ of (4)_____ unravel
Trapped feelings are never ending
Send those weaknesses descending
Towards the earth's red centre
Let the fire rise and enter
Tap into the primal power
Rising like a giant tower
The energy receiving
Cut a hole right through the ceiling
People getting smaller as you fly
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
A (5)_____ place
A (6)_____ place
A happy...
Find a star, send down a beam to where you are
An elevator of light taking you somewhere
Where you'll always be loved
I have found (7)_____ (8)_____ and nonsense
Puts me in zone of avoidance
Could my (9)_____ be moving faster
Pulling like a super cluster
Can be hard to trust a feeling
But believing ends in seeing
We're going to find a happy
We're going to find a happy
We're going to find a happy place
A happy place
A happy place
A happy...

Fill in the gaps

Answer

1. find
2. find
3. sense
4. time
5. happy
6. happy
7. that
8. stress
9. mind
