

Fill in the gaps

A Happy Place by Katie Melua

I'm going to find a happy
I'm going to find a happy
I'm (1)_____ to find a happy place
Seven (2)_____ eyes are watching
Marching home and no one's touching
Army of the city workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to every stranger
Stuck here it's cold I'm standing
Hoping for (3)_____ understanding
Only way to go is inside
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand light years travel
Let my sense of time unravel
Trapped feelings are (4)_____ ending
Send those weaknesses descending
Towards the earth's red centre
Let the fire rise and enter
Tap into the primal power
Rising like a giant tower
The energy receiving

Cut a hole right through the ceiling
People getting smaller as you fly
I'm going to (5)_____ a happy
I'm (6)_____ to find a happy
I'm going to find a happy place
A happy place
A happy place
A happy...
Find a star, send (7)_____ a beam to where you are
An elevator of (8)_____ taking you somewhere
Where you'll always be loved
I have found that stress and nonsense
Puts me in (9)_____ of avoidance
Could my mind be moving faster
Pulling (10)_____ a super cluster
Can be hard to trust a feeling
But believing ends in seeing
We're going to find a happy
We're going to find a happy
We're going to find a happy place
A happy place
A happy place
A happy...

Fill in the gaps

Answer

1. going
2. thousand
3. some
4. never
5. find
6. going
7. down
8. light
9. zone
10. like
