

Fill in the gaps

A Happy Place by Katie Melua

I'm going to find a happy
I'm going to (1)_____ a happy
I'm going to find a happy place
Seven thousand eyes are watching
Marching (2)_____ and no one's touching
Army of the city workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to every stranger
Stuck here it's cold I'm standing
Hoping for (3)_____ understanding
Only way to go is inside
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven (4)_____ light years travel
Let my (5)_____ of time unravel
Trapped feelings are never ending
Send those weaknesses descending
Towards the earth's red centre
Let the fire rise and enter
Tap into the (6)_____ power
Rising like a giant tower
The energy receiving

Cut a hole right through the ceiling
People getting (7)_____ as you fly
I'm going to find a happy
I'm going to find a happy
I'm going to find a (8)_____ place
A (9)_____ place
A happy place
A happy...
Find a star, send down a beam to where you are
An elevator of light taking you somewhere
Where you'll always be loved
I have found that stress and nonsense
Puts me in zone of avoidance
Could my mind be moving faster
Pulling like a super cluster
Can be hard to trust a feeling
But believing ends in seeing
We're going to find a happy
We're going to find a happy
We're going to find a happy place
A happy place
A happy place
A happy...

Answer

1. find
2. home
3. some
4. thousand
5. sense
6. primal
7. smaller
8. happy
9. happy
