If a black man is racist, is it okay?
If it's the white man's racism that made him that way
'Cause the bully's the victim they say
By (1) sense they're all the same
'Cause the line between
Wrong and right
Is the width of a thread
From a spider's web
The piano keys are black and white
But they sound (2) a million colours in your mind
I could tell you to go to war
Or I could march for peace and (3) no
more
How do I (4) is right
And I (6) he does when he sends you to fight
'Cause the line between
Wrong and right
Is the (7) of a thread
From a spider's web

The piano keys are black and white
But they (8) like a million colours in your mind
Should we act on a blame?
Or should we chase the (9) away?
Should we live?
Should we give?
Remember forever the guns and the feathers in time
'Cause the line between
Wrong and right
Is the width of a thread
From a spider's web
The piano keys are black and white
But they sound like a (10) colours in your
mind
The piano keys are black and white
But they sound like a million colours in your mind
But they sound like a million colours in your mind
