What Took You So Long by Emma Bunton

Talk to me, can't you see
I'll help you work things out
Don't wanna be your enemy
And I don't want to scream and shout
'Cause baby I believe in honesty
A man that's strong and true
I shouldn't have to say now baby
That I believe in you
What took you so long
What took you all night
What took you forever to see I'm right
You know I'll treat you so good
I'll make you feel fine
You know I'll never give it up this time
No, no, no
You touched my heart
Right from the start
You didn't know what to say (didn't know what to say)
But honey, understand
When you take my hand
Everything's OK
'Cause baby I believe reality
