

But I can't move on

## Fill in the gaps

## Missing by Everything But The Girl

I step off the train	And I miss you
I'm walking down your street again	Like the deserts miss the rain
And pass (1) door	And I miss you, yeah
But you don't live there anymore	Like the deserts miss the (12) (I miss you)
It's years since you've (2) there	I step off the train
And now you've (3) somewhere	I'm walking down your street again
Like outer space	Pass (13) door
You've found some better place, and I miss you	I guess you don't live there anymore
Like the deserts miss the rain	It's years since you've (14) there
And I miss you	And now you've disappeared somewhere
Like the deserts miss the rain	Like outer space
Could you be dead	You've (15) some better place
You always were two steps ahead	And I miss you
Of everyone	And I (16) you
We'd walk behind (4) you (5) run	You've (17) some (18) place
I (6) up at (7) house	And I (19) you
And I can almost hear you shout, down to me	Like the deserts miss the rain
Where I always used to be	And I miss you, yeah
And I (8) you	Like the deserts miss (the rain)
Like the (9) miss the rain	And I miss you, and I miss you
And I miss you	Like the (20) (21) the rain
Like the deserts miss the rain	And I miss you, yeah
Back on the train	Like the deserts miss (the rain)
I ask why did I come again	The deserts miss the rain
Can I confess	Like the deserts miss the rain (like the deserts (22)
I've been hanging (10) your old address	the rain)
And the years have proved	Like the (23) (24) the rain
To offer (11) since you moved	
You're long gone
