## Missing by Everything But The Girl

I step off the train	And I (5) you
I'm walking down your (1) again	Like the deserts miss the rain
And pass your door	And I miss you, yeah
But you don't live there anymore	Like the deserts miss the rain (I miss you)
It's (2) since you've been there	I step off the train
And now you've disappeared somewhere	I'm walking down your street again
Like outer space	Pass your door
You've found some better place, and I miss you	I (6) you don't live there anymore
Like the deserts miss the rain	It's years since you've been there
And I miss you	And now you've disappeared somewhere
Like the deserts miss the rain	Like outer space
Could you be dead	You've found some better place
You always were two steps ahead	And I miss you
Of everyone	And I miss you
We'd walk (3) (4) you would run	You've found some better place
We'd walk (3) (4) you would run I look up at your house	You've found some better place And I miss you
I look up at your house	And I miss you
I look up at your house  And I can almost hear you shout, down to me	And I miss you  Like the (7) miss the rain
