

I searched the whole world

Fill in the gaps

Listen		For someone like you
I've had other guys		Don't you know, don't you know that it's
I've looked into their eyes		True love, oh baby
But I never knew love before		True love, oh baby
Till you walked through my door		True love, oh baby
I've had other lips		True love it's
I've sailed a thousand ships		True love, oh baby
But no matter where I go		True love, oh baby
You're the one for me baby this I know		True love, oh baby
'Cause it's		True (7) it's
True love		True, so if you (8) ever doubt
You're the one I'm (1)	of	Wonder what love is all about
Your heart fits me like a glove		Just think back and remember dear
And (2) gonna be		Those words whispered in your ear, I said
True blue baby I love you		No more more sadness
I've heard all the lines		I kiss it good-bye
I've (3) oh so many times		The sun is bursting
Those teardrops they won't fall again		Right out of the sky
I'm so excited 'cause (4)	my best friend	I searched the whole world
So if you should ever doubt		For someone like you
Wonder what love is all about		Don't you know, don't you know that it's
Just think back and remember dear		True love (this time I know it's true love)
Those words whispered in your ear, I said		You're the one I'm dreaming of (the one I'm dreaming of)
True love		Your heart fits me like a glove (heart fits us like a glove)
You're the one (5) dreaming	of	And I'm gonna be
Your heart (6) me like a glove		True blue baby I love you (I love you)
And I'm gonna be		This time I know it's true love (la la la la la la)
True blue baby I love you, 'cause it's		The one I'm dreaming of (la la la la la la)
True love (this time I know it's true love)		Heart fits us like a glove (and I'm (9) be)
You're the one I'm dreaming of (the one I'm dreaming of)		True blue, baby I love you
Your heart fits me like a glove (heart fits us like a glove)		'Cause it's
And I'm gonna be		True love, oh baby
True blue baby I love you		True love, oh baby
No more more sadness		True love, oh baby
I kiss it good-bye		True love it's
The sun is bursting		
Right out of the sky
