Barely Breathing by Duncan Sheik

Will it ever change

Fill in the gaps

I know (1) you're doing	'Cause I am barely breathing	
I see it all too clear	And I can't find the air	
I only taste the saline	I don't know who I'm kidding	
When I kiss away your tears	Imagining you care	
You (2) had me going	And I could stand here waiting	
Wishing on a star	A fool for another day	
But the black holes that surround you	I don't suppose it's worth the price	
Are heavier by far	It's worth the price, the price that I (6)	_ pay
I believed in your confusion	But I'm (7) it over anyway	
You were so completely torn	I'm thinking it over anyway	
It (3) have been (4) yesterday	I've come to find	
Was the day that I was born	I may never know	
There's not much to examine	Your changing mind	
There's nothing left to hide	Is it (8) or foe	
You really can't be serious	I rise above	
If you have to ask me why	Or sink below	
I say good-bye	With every time	
'Cause I am barely breathing	You come and go	
And I can't find the air	Please don't	
I don't know who I'm kidding	Come and go	
Imagining you care	'Cause I am barely breathing	
And I could stand here waiting	And I can't find the air	
A fool for another day	I don't know who I'm kidding	
I don't suppose it's worth the price	Imagining you care	
It's worth the price, the price that I would pay	And I could stand here waiting	
Everyone keeps asking	A fool for another day	
What's it all about	I don't suppose it's worth the price	
I used to be so certain	It's worth the price, the price that I (9)	_ pay
And I can't figure out	But I'm thinking it (10) anyway	
What is this attraction	I'm thinking it over anyway	
I (5) feel the pain	I know what you're doing	
Nothing left to reason	I see it all too clear	
And only you to blame
