

Fill in the gaps

(Oh) where (oh) where	There were people
Can my baby be	Standing all around
The Lord (1) her	Something warm
Away from me	Flowing through my eyes
She's (2) to heaven	But somehow
So I've got to be good	I found my baby that night
So I can see my (3) (4) I leave	I lifted her head
This world	She (15) at me and said
We were out on a date	(Hold me darling)
In my daddy's car	(For a little while)
We hadn't (5) very far	I held her close
There in the road	I (16) her our (17) kiss
Straight ahead	I found the love
A car was stalled	That I knew I had missed
The (6) was dead	Well now she's gone
I couldn't stop	Even though I (18) her tight
So I (7) to the right	I lost my love my life
I'll never forget	That night
The (8) night	(Oh) where (oh) where
The screamin' tires	Can my (19) be
The bustin' glass	The Lord took her
The (10) that I	Away from me
Heard last	She's gone to heaven
(Oh) where (oh) where	So I've got to be good
Can my baby be	So I can see my baby (20) I leave
The (12) took her	This world
Away (13) me	(Uh uh uh uh uh)
She's gone to heaven	(Uh uh uh uh uh)
So I've got to be good	(Oh oh oh oh oh)
So I can see my baby (14) I leave	(Oh oh oh oh oh)
This world	
When I woke up	
The rain was pourin' down
