I used to think that I wasn't (1) enough	Never knew what I was missing
And I used to think (2) I wasn't (3)	But I (8) once we start kissing
enough	I found
But I won't waste my time trying to figure out	I found you
Why you playing games, what's this all about	(Who would have known)
And I can't believe you're hurting me	I'd find you
I met your girl, what a difference	(Who)
What you see in her you ain't (4) in me	Now you're gone, what am I gonna do
But I (5) it was all just make believe	So empty my heart, my soul can't go on
Oh, love	Go on, baby, without you
Never knew what I was missing	Rainy (9) fade away
But I knew once we start kissing	When you come around say you're here to stay
I found	With me boy I don't want you to (10) me
Love	I need you (love)
Never knew what I was missing	Never knew what I was missing (I never knew)
But I knew (6) we start kissing	But I knew once we start kissing
I found	I found
I found you	Love
Now you're gone, what am I gonna do	Never knew what I was missing (I never knew)
So empty my heart, my soul can't go on	But I knew once we start kissing
Go on without you	I found
My rainy days fade away when you	Love
Come around (7) tell me, baby	Never knew what I was missing (I never, never, never)
Why you go so far away	But I knew once we start kissing (we start kissing)
Why you go love	I found (I found, I found)
Never knew what I was missing	Love
But I knew once we start kissing	
I found
