Get the **** away from me	A way back inside my mind
I know (1) I	I need to find
Have done wrong and continue to do	A way (17) inside my mind
So but (2) remorse	I need to find
I know that I	A way (18) inside my mind
Am on a fast track to the grave	This is not the end
And I'm headed (3) alone	This is the end of
I struggle to find (4) (5) time	This is not the end
Save yourself for a man with a conscience	This is the end of
I (6) to find myself this time	This is not the end
Save yourself for a man (7) is not me	This is the end of
I (8) my (9) looking through pages	This is not the end
Trying to (10) a way, to get (11) from	(RAH!)
me	(OHH!)
With love to give (12) leaves you breathless	Every mistake I've made
Now all I need to find	Leaves a scar that (19) every day
A way (13) inside my mind	Yet (20) I carry on
I don't want to leave you breathless	Without (21) without remorse I'm gone
When (14) you realize	You're better off to walk away
I don't (15) to leave you breathless	I am corruption, I am sin
When will you realize	Forget my name
I don't want to leave you breathless	Forget my face
When will you save yourself	Forget my name
Yeah!	Forget my face
I spend my days looking through pages	
Trying to (16) a way, to get away from me	
With love to give that leaves you breathless	
Now all I need to find
