

Now all I need to find

Fill in the gaps

Get the **** away (1) me	A way back inside my mind
I (2) that I	I need to find
Have done wrong and continue to do	A way back inside my mind
So but without remorse	I need to find
I know that I	A way (7) inside my mind
Am on a fast (3) to the grave	This is not the end
And I'm (4) there alone	This is the end of
I struggle to find myself this time	This is not the end
Save yourself for a man with a conscience	This is the end of
I fight to find myself this time	This is not the end
Save yourself for a man that is not me	This is the end of
I spend my days looking through pages	This is not the end
Trying to find a way, to get away from me	(RAH!)
With love to give that leaves you breathless	(OHH!)
Now all I need to find	Every mistake I've made
A way back inside my mind	Leaves a scar that burns (8) day
I don't (5) to (6) you breathless	Yet still I carry on
When will you realize	Without regret without remorse I'm gone
I don't want to leave you breathless	You're (9) off to walk away
When will you realize	I am corruption, I am sin
I don't want to leave you breathless	Forget my name
When will you save yourself	Forget my face
Yeah!	Forget my name
I spend my days looking through pages	Forget my face
Trying to find a way, to get away from me	
With love to give that leaves you breathless
