SUB inglés

Fill in the gaps

Brilliant Disguise by Bruce Springsteen

I hold you in my arms	Struggling to do everything right
As the (1) plays	And then it all (18) apart
What are (2) (3) whispered baby	(Oh) When out go the lights
Just as you turn away	I'm just a lonely pilgrim
I saw you last night	I walk this world in wealth
Out on the edge of town	I want to know if it's you I don't trust
I wanna read your mind	'Cause I damn sure don't (19) myself
To know just (4) I've got in this new	Now you play the loving woman
(5) I've found	I'll play the faithful man
So tell me what I see	But just don't look too close
When I look in your eyes	Into the (20) of my hand
Is (6) you baby	We (21) at the altar
Or (7) a brilliant disguise	The gypsy swore our future was right
I heard (8) call (9) name	But come the wee wee hours
From underneath our willow	Well maybe baby the gypsy lied
I saw (10) tucked in shame	So when you look at me
Underneath (11) pillow	You (22) hard and look twice
Well I've tried so (12) baby	Is that me baby
But I just can't see	Or (24) a brilliant disguise
What a (13) like you	Tonight our bed is cold
Is doing with me	I'm lost in the (25) of our love
So (14) me who I see	God have mercy on the man
When I look in your eyes	Who (26) what he's sure of
Is (15) you baby	
Or (16) a brilliant disguise	
Now (17) at me baby
