## Brilliant Disguise by Bruce Springsteen

I hold you in my arms	Struggling to do everything right
As the band plays	And then it all (5) apart
What are those words whispered baby	(Oh) When out go the lights
Just as you turn away	I'm just a lonely pilgrim
I saw you last night	I walk this world in wealth
Out on the edge of town	I want to know if it's you I don't trust
I wanna read (1) mind	'Cause I damn sure don't trust myself
To know just what I've got in this new thing I've found	Now you (6) the loving woman
So tell me what I see	I'll play the faithful man
When I look in (2) eyes	But (7) don't look too close
Is that you baby	Into the palm of my hand
Or just a brilliant disguise	We stood at the altar
I heard somebody call your name	The gypsy swore our future was right
From underneath our willow	But come the wee wee hours
I saw something tucked in shame	Well maybe baby the gypsy lied
Underneath your pillow	So (8) you look at me
Well I've tried so hard baby	You better look hard and look twice
But I (3) can't see	Is that me baby
What a woman like you	Or just a brilliant disguise
Is doing with me	Tonight our bed is cold
So (4) me who I see	I'm lost in the darkness of our love
When I look in your eyes	God have mercy on the man
Is that you baby	Who doubts what he's (9) of
Or just a brilliant disguise	
Now look at me baby
