Fill in the gaps

Baby When The Lights by David Guetta

Inspite of all the consequence	Baby when the lights go out
Inspite of all my pride	I hear you calling (I hear you calling)
Inspite of little things you said	Baby when the lights go out
That hide me deep inside	I need you
I believe your love	Baby when the lights go out
I breathe your love	I hear you calling (I hear you calling)
Like the air in the morning	Baby when the lights go out
I sleep your love	I need you
I salute your love	And there's the dark, begins to rain
And I can't get away	The sound is heavy on me
Baby when the lights go out	Baby when the lights go out
I hear you calling (I hear you calling)	I need you
Baby when the lights go out	Under the (7) I wanna be under your touch
I need you	Under the spell I wanna be under the rush
Baby (1) the lights go out	Baby when the lights go out
I hear you calling (I hear you calling)	Baby when the lights go out
Baby when the lights go out	Baby when the lights go out
I need you	I hear you calling (I hear you calling)
The (2) of all you see	Baby when the lights go out
You could (3) overcome all this	I need you
And I still (4) get over you	Baby when the lights go out
Are you someone I'll forever miss	I hear you calling (I hear you calling)
I believed your love I can (5) your love	Baby when the lights go out
And that's all (6) I wanted	I (8) you
I sleep your love I salute your love	
And I can't get away	

Fill in the gaps
