Fill in the gaps

Across The Universe Of Time (Live) by Hayley Westenra

When the sea falls (1) the shore
As the (2) low, will I see you any more?
As the (4) falls from the sky
Can I bring you back, from a distant lullaby?
Show me your vision, the story begun
Two lights are rising and burning as one
In the deep (5) of the night
Shine the millions of stars and my spirit burning bright
Spinning on, into the sun
Flying higher now my journey's begun
And the cold, (6) wind, it blows me away
The feeling all over is a black, black day
But I know that I'll see you again
And I know that you're near me
There's a star, calling my name
It's echo is true and the song is not the same
Take my hand and lead me away
Bring me back to you in (7) arms I'm going to stay
Tell me your vision, the story begun
Two lights are rising and (8) as one
All those years drifting in space
I (9) known you well, yet I've never seen your face
You turn around, looking at me
Laughter in your eyes and now I can see
And the cold, cold wind, it blows me away
The feeling all over is a black, black day
But I know that I'll see you again

And I know that you're near me
