### Across The Universe Of Time (Live) by Hayley Westenra

When the sea falls from the shore
As the (1) sinks low, (2) I see you any more?
As the (3) falls from the sky
Can I (4) you back, from a distant lullaby?
Show me your vision, the (5) begun
Two (6) are rising and (7) as one
In the deep blue of the night
Shine the millions of (8) and my (9) burning bright
Spinning on, into the sun
Flying (10) now my journey's begun
And the cold, cold wind, it blows me away
The feeling all over is a black, black day
But I know that I'll see you again
And I know that you're (11) me
There's a star, (12) my name
It's (13) is true and the song is not the same
Take my (14) and lead me away
Bring me back to you in (15) arms I'm (16) to stay
Tell me your vision, the story begun
Two (17) are rising and (18) as one
All (19) years drifting in space
I have known you well, yet I've never seen your face
You turn around, looking at me
Laughter in (20) and now I can see
And the cold, cold wind, it blows me away
The feeling all over is a black, (22) day
But I know that I'll see you again
And I (23) that you're near me
