

Fill in the gaps

Across The Universe Of Time (Live) by Hayley Westenra

When the sea (1)_____ from the shore

As the light sinks low, will I see you any more?

As the rain (2)_____ (3)_____ the sky

Can I bring you back, from a distant lullaby?

Show me your vision, the story begun

Two lights are rising and burning as one

In the deep blue of the night

Shine the millions of (4)_____ and my (5)_____ burning bright

Spinning on, (6)_____ the sun

Flying higher now my journey's begun

And the cold, cold wind, it blows me away

The (7)_____ all over is a black, black day

But I know that I'll see you again

And I know (8)_____ you're (9)_____ me

There's a star, calling my name

It's echo is true and the song is not the same

Take my hand and lead me away

Bring me back to you in your arms I'm going to stay

Tell me your vision, the story begun

Two lights are rising and burning as one

All those years drifting in space

I have known you well, yet I've never seen your face

You turn around, looking at me

Laughter in your eyes and now I can see

And the cold, cold wind, it blows me away

The feeling all over is a black, black day

But I know that I'll see you again

And I know (10)_____ you're near me

Answer

1. falls
2. falls
