

Fill in the gaps

Does he tell you he (1) you	I feel it every day
When you least expect it?	And that's what makes a man
Does he flutter your heart	Not hard to understand
When he kisses (2) neck?	Perfect in every way
No (3) or biology	I see it in his face
It's obvious, when he's (4) me	Nothing more to say
It's only natural (5) I'm so affected	It's in his D-D-D-DNA
(Oh) and my heart won't (6) again	It's all (19) his kiss
If I can't feel him in my veins	Contaminates my lips
No (7) to question, I (8) kno	w Our energy connects
It's in his DNA (D-D-DNA)	It's simple genetics
It's in his DNA	I'm the X to his Y
And he (9) takes my breath away	It's the colour of his eyes
B-B-Breath away	He can do no wrong
I (10) it (11) day	No he don't need to try
And that's (12) makes a man	Made (20) the best
Not hard to understand	He passes all the tests
Perfect in (13) way	Got my heart beating fast
I see it in his face	It's cardiac arrest
Nothing (14) to say	He's (21) a (22) strain
It's in his D-D-D-DNA	That (23) can't explain
It's the blue in his eyes	I guess that's how he's made
That (15) me see the future	In his D-D-DNA
Fingerprints that leave me covered for days	It's in his DNA (D-D-D-DNA)
(Yeah hey yeah)	It's in his DNA
Now I don't have any first degree	And he just takes my breath away
But I know (16) he does to me	B-B-Breath away
No need to (17) it out, it's so familiar	I feel it (24) day
(Oh)	And that's what (25) a man (what
And my heart won't beat again	(26) a man)
If I can't feel him in my veins	Not hard to understand (to understand)
No need to question, I already know	Perfect in every way (in (27) way)
It's in his DNA (D-D-DNA)	I see it in his face (in his face)
It's in his DNA	Nothing more to say (nothing more to say)
And he (18) takes my breath away	It's in his D-D-D-DNA
B-B-Breath away
