I'm Like A Bird by Nelly Furtado

Fill in the gaps

To tell me, me that you love me

You're beautiful
That's for sure
You'll never ever fade
You're lovely
But it's not for sure
That I won't ever change
And though my love is rare
And though my love is true
I'm like a bird, I (1) fly away
I don't know where my soul is (soul is)
I don't know where my home is
(And baby all I (2) for you to know is)
I'm like a bird, I'll only fly away
I don't know (3) my soul is
I don't know (4) my home is
(All I need for you to know is)
Your faith in me
Brings me to tears
Even after all these years
And it pains me so much to tell
That you don't know me that way
And though my (5) is rare
Though my love is true
I'm like a bird, I'll only fly away
I don't know where my soul is (soul is)
I don't know where my home is
(And baby all I need for you to know is)
I'm like a bird, I'll only fly away (fly away)
I don't know where my soul is
I don't know where my home is
(And baby all I (6) for you to know is)
It's not that I (7) say goodbye
It's just that every time you try

Each and every single day I know I'm gonna have to eventually Give you away And though my love is rare, rare, rare And though my love is true, yeah I'm just scared And that we may fall... I'm like a bird (I'm like a bird) I don't know where my soul is (soul is) I don't know where my home is (And baby all I need for you to know is) I'm like a bird, I'll only fly away (fly away) I don't know where my soul is I don't know where my home is (And baby all I need for you to know is) I'm (8)_____ a bird, I'll only fly away (I don't know where my soul is) I don't know where my soul is (soul is) I don't know where my home is (And baby all I need for you to know is) I'm like a bird, I'll only fly away I don't know (9)_____ my soul is I don't know where my home is (And baby all I need for you to (10)_____ is) I'm like a bird, I'll only fly away I don't know where my soul is (soul is) I don't know where my home is (And baby all I need for you to know is) I'm like a bird, I'll only fly away (fly away)
